Objet : Invitation to the Icelandic Festival (Fête des Islandais) Gravelines 2024

Dear Mrs. Jóna Árný Þórðardóttir,

First of all, let me start by express myself that is always a memorable time to share with the representatives of Fjarðabyggð, during the different events organised by our both cities, in order to nurturing our friendships.

This year, the traditional « Fête des Islandais » will be held between the 27th to the 30th of September and we would be honoured to count you among us.

This time will be the opportunity to pay tribute to our fishermen, and by the same time, maintain our bond.

We would be grateful if you could confirm your participation, as soon as possible, so that we can welcome you in the best conditions.

Looking forward to reading you and meeting there.

Respectfully,

See you soon!
Le Maire,
Bertrand RINGOT
